Sponsorship Application

The Kingsland/Lake LBJ Chamber of Commerce is thrilled to be hosting its First Annual Taste Highland Lakes - a festival event full of tastes from the region's leaders in food, wine & spirits. We anticipate that this will become a signature event for our community where guests gather each year for a weekend filled with live music, great tastes, and even better company. Taking place at the Legends, this event will be headlined by Austin's Premier traditional Country Music Cover Band - Six Sons of a Gun. In addition to live music, guests will enjoy bottomless tastings from local wineries and distilleries as well as culinary tastings from our hand selected fine food vendors. The success of this event could not be possible without you. Support from area businesses is a crucial component to this event and provides a unique opportunity for you to promote your brand. Portion of all proceeds to be benefit Kingsland Youth.
